

Martha Jefferson Hospital Foundation

2009 Martha Jefferson Golf Classic Sponsors

Thank You!

Over the course of the tournament's history, the Martha Jefferson Golf Classic has provided nearly \$900,000 to support programs and services of the Cancer Care Center, support scholarships, continuing education, and professional development for our excellent nursing and technical staff, Cardiology programs, Imaging, Palliative Care and the New Hospital Vision Fund. These funds benefit scores of community members who take advantage of new medical technologies, clinical education programs and patient services that help define Martha Jefferson's caring tradition.
