## Gifts of Gratitude

Honoring Someone Special with a Gift  
to Martha Jefferson Hospital

There are times when a special friend, beloved family member or compassionate caregiver inspires in us a desire to acknowledge and pay tribute to that individual and relationship in a distinctive and meaningful manner.

One such meaningful expression is a charitable gift made in honor or memory of a special friend or family member that can be directed to support Hospital programs or services that were significant in the life of that individual.

Often, a patient or family member, grateful for the care and caring provided at Martha Jefferson, has a desire to do something tangible to say thank you and to acknowledge the difference that a special caregiver or team of caregivers have made during an especially vulnerable time.

These philanthropic gifts help support vital programs and services at Martha Jefferson that benefit patients, families and caregivers alike.

In addition to the letter to the individual(s) making the gift, the Martha Jefferson Hospital Foundation will send a personalized note (gift amount is not disclosed) to the individual or family of those recognized and unless otherwise requested, the donor is listed in Hospital and Foundation publications.
