of the Internal Revenue Code and regulations. Please make checks payable to  
The Women's Committee, Martha Jefferson Hospital

**Please return by April 1, 2012**

please turn over

In 1993, sixteen women joined together to raise awareness and philanthropic funds for Breast Health programs at Martha Jefferson Hospital. Now consisting of over 250 women, The Women's Committee continues to have a profound impact, having raised millions of dollars to support health and wellness programs for women and their families through our primary fundraisers, Martha's Market and In The Pink Tennis Tournament.

Our goal each year is for 100% of Active members to fulfill their membership requirement of making a financial contribution to Martha Jefferson Hospital in support of women's healthcare. As we look to Corporate and Individual Sponsors from the community, it is so important to be able to demonstrate that we have the financial support of all of our members.

We ask that you make your gift to reflect your personal commitment to women's healthcare in our community. Remember, it is the 100% participation that is significant.

We thank you in advance,

**The Women's Committee Board of Directors**
